

INTELLIGENT CORDLESS SOLDERING IRON CODE 0710-SD420

- Built-in lithium battery, easy to carry
- Integral precision soldering tip, fast heating speed
- Automatic sleep function
- Temperature calibration function

soldering tip 0710-SK (included)

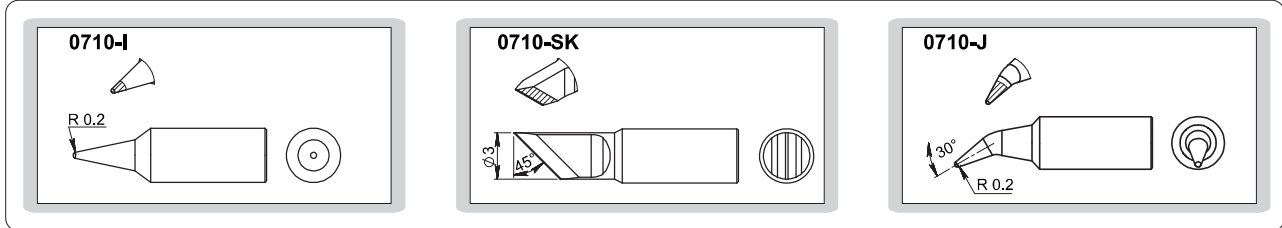

soldering tip 0710-J (included)

soldering iron stand (included)

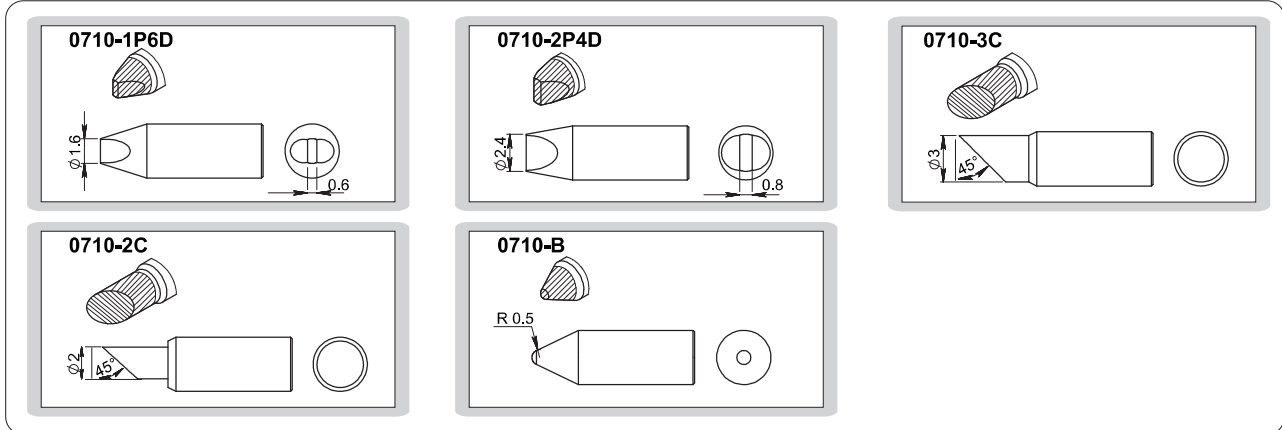

soldering tips (included)

Unit: mm

soldering tips (optional)

Unit: mm

SPECIFICATION

Display screen	OLED
Temperature range	100°C~420°C
Power	10W
Work hours	30 minutes (indicates V-P when the battery is low)
Power supply	rechargeable lithium battery: 3.7V, 2600mAh
Dimension	198x27x21mm
Weight	85g

STANDARD DELIVERY

Main unit	1 pc
Soldering tip (0710-I)	1 pc
Soldering tip (0710-J)	1 pc
Soldering tip (0710-SK)	1 pc
Soldering iron stand	1 pc

OPTIONAL ACCESSORY

Soldering tip	0710-1P6D
Soldering tip	0710-2P4D
Soldering tip	0710-3C
Soldering tip	0710-2C
Soldering tip	0710-B
