

LEAD FREE SOLDERING STATION CODE 0711-SS480

- Fast heat-up and temperature return of the welding table
- Quickly switch between 3 different temperatures
- Temperature calibration function
- Compatible with general-purpose soldering nozzles, easy to use and economical

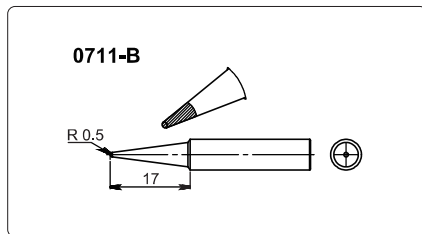

soldering tip **0711-B** (included)

soldering iron stand (included)

soldering tips (included)

Unit: mm

SPECIFICATION

Display screen	LCD
Temperature range	100°C~480°C
Temperature stability	±2°C (when the air is still and no load)
Power	70W (MAX)
Tip to ground potential	<2mV
Tip to ground resistance	<2Ω
Power supply	AC 220V,50Hz
Dimension	87x140x119mm
Weight	1.75kg

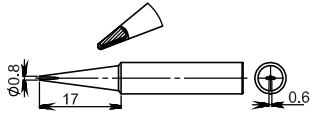

STANDARD DELIVERY

Main unit	1 pc
Soldering tip (0711-B)	1 pc
Soldering iron stand	1 pc

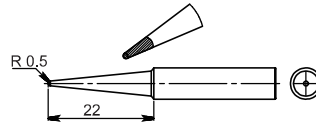

OPTIONAL ACCESSORY

Soldering tip	0711-0P8D
Soldering tip	0711-1P2D
Soldering tip	0711-2P4D
Soldering tip	0711-3P2D
Soldering tip	0711-LB
Soldering tip	0711-I
Soldering tip	0711-1C
Soldering tip	0711-2C
Soldering tip	0711-3C
Soldering tip	0711-4C
Soldering tip	0711-0P8C
Soldering tip	0711-K
Soldering tip	0711-LI
Soldering tip	0711-SK
